Erik Deerly:

Hi Artists!

Thank you so much for applying to our international juried exhibition, HOME: Absence or Essence. I had the honor of curating this show, and I can say we had a lot of very strong entries. Every piece invited tells a story we want to share, and we are very grateful you shared it with us. We are honored to invite you to exhibit your work with us in this show! Above you will find the name of your accepted artwork(s).

Please follow the link below and fill out the form. This form requires a validated email, this is a little annoying, but it helps us make sure that we can communicate with you throughout the course of this show. If you only have one work accepted, simply skip the second submission slides.

Please upload exhibition print quality files of your works. We print all works in house. If you have any questions, please feel free to reach out to us. If your works aren't exactly the size of our prints, but it's close, we generally will print your photo without cropping and use the physical mat to crop to the nearest size. Let us know if you have any questions about any of this.

Thank you for sharing your beautiful work with us. We are very excited to share it with the world.
